# ایران کے موجودہ حالات پر تبصرہ

”سوال یہ ہے کہ آیا ان شہداء کے وارث ایسے فتنہ گر جرثوموں کو اس بات کسی اجازت دیں گے کہ وہ اس مقدس نظام کے خلاف کسی سازش کو انجام دینے میں کامیاب ہو سکیں کہ جس کی بنیادوں میں ان کے پیاروں کا لہو موجود ہے؟ مجھے انہی دنوں ایرانی سوشل میڈیا پر ایک جملہ دیکھنے کو ملا کہ جس نے توجہ کو اپنی طرف جذب کر لیا، اس کا مفہوم یہ تھا کہ:

”ہم وہ قوم ہیں، جس نے شام کے پرچم کو سعودی عرب کے حلق سے نکال کر شامی قوم کے حوالے کر دیا ہے تو کیا دشمن یہ سوچتا ہے کہ وہ ہمارے ہی ملک میں چند جرثوموں کے ذریعے ایران کے مقدس پرچم کو سرنگون کر سکے گا، یہ اس کی بھول ہے

ایران کے کچھ بڑے شہروں میں حالی میں احتجاجی مظاہروں کا ایک سلسلہ چل رہا ہے۔ چھوٹے چھوٹے گیندیں پھینکے ہوئے مظاہروں کا یہ سلسلہ کچھ دنوں پہلے ایران کے ایک بڑے شہر مشہر مقدس میں پندرہ لوگوں کی جانب سے بھگائی کے خلاف ہونے والے ایک مظاہرے سے شروع ہوا۔ بھگائی کے خلاف مظاہرے چندی دنوں میں ایران کے مختلف شہروں میں پھیل گئے۔ یہ مظاہرے یہ مظاہرے اس وقت شروع ہوئے جب یہاں مسن رومانی کی حکومت نے شیلنگ گینوں میں فرانسیس کی بات کی۔ موجودہ قیمت ایرانی کرنسی کے مطابق فی لٹو لٹو ایک ہزار ترقان ہے جبکہ موجودہ حکومت کا ارادہ تھا کہ اس کو چار ایک ہزار پانچ سو ترقان کر دیا جائے۔ اس کے ساتھ ساتھ مزید اشتعال کی چیزوں میں بھی بھگائی کی اور مضمنا ملوں کی قیمت تو دکان ہوئی۔ ایران میں سے ملی سال کیلئے جیت بھی پیش کیا جا رہا ہے۔

اس وقت شروع ہوئے جب ایران کے صدر ااکر حسن رومانی کی حکومت نے شیلنگ گینوں میں اشتعال کی بات کی۔ پینچوں کی موجودہ قیمت ایرانی کرنسی کے مطابق ایک ہزار ترقان فی لٹر ہے جبکہ موجودہ حکومت کا ارادہ تھا کہ اس کو چار ایک ہزار پانچ سو ترقان کر دیا جائے۔ اس کے ساتھ ساتھ مزید اشتعال کی چیزوں میں بھی بھگائی کی اور مضمنا ملوں کی قیمت تو دکان ہوئی۔ ایران میں سے ملی سال کیلئے جیت بھی پیش کیا جا رہا ہے۔ ان تمام مسائل کے مظاہرے کچھ شہروں میں بھگائی کے خلاف مظاہرے شروع ہو گئے۔ اگرچہ ان مظاہروں میں لوگوں کی بڑی تعداد شریک نہیں ہے لیکن ان کی خاص بات ہے کہ کچھ موجد پرست عناصر نے اس فرصت کو سمجھتے جانتے ہوئے اپنے مضمون اپنے اپنے سے مختلف مظاہروں کو کھلوانے کی کوشش شروع کر دی اور پھر یہ سلسلہ

آب تک جاری ہے۔ یہ کھلوانا مظاہرے اس کے پورے شہروں میں انجام پاتے ہیں اور چھوٹے پائے پر کھراڑ کر بھی کارروائیاں انجام دے کر قابو ہوجاتے ہیں۔ تاہم ترقی ترقی کے مطابق ایرانی وزارت داخلہ نے اعلان کیا ہے کہ آج سے اپنے افراد کے ساتھ ترقی سے بچنا چاہئے گا۔

اس صورتحال کو بظہور یہ جاننے کیلئے کچھ باتوں کی طرف توجہ دینے کی ضرورت ہے۔ پہلی بات یہ ہے کہ یہ بھگائی کے خلاف ہونے والے مظاہرے انقلاب سے ایسی تاریخوں میں انجام پاتے ہیں کہ ایرانی سال 88 میں ہونے والی ایک بڑی فتنہ آرائی کی سالگرہ کی تاریخ تھی۔ اس سال میں حسین موسوی اس وقت کے صدر محمود امینی کو بے رحمی کے ساتھ ہلاک کر دیا گیا۔ اس کے بعد شہرہ مشہور کے قتل ملک میں شہرہ مشہور ڈگری کارروائیاں شروع کر دی گئیں۔ لیکن کامرکز ایران کا دارالحکومت تھران تھا۔ چند ماہوں پر مختلف ان مظاہروں کا اختتام ایرانی تاریخ 9 ربیع الثانی 1388 (30 دسمبر 2009ء) کی تاریخ میں جاری کر دی گیا۔ اس کا مقصد اس وقت میں مضمون سازوں پر نکلنے اور انہوں نے دہرہ انقلاب آیت اللہ علی حسین علی خامنہ ای کے ساتھ اتحاد بھگائی کرنے سے فتنہ پرست عناصر کی شہرہ مشہور ڈگری کی اس کو روک دینے کے سبب ملک میں جاری کڑی کارروائیاں موقوف کر دیں اور ان کو فتنہ پرست انقلاب مخالف عناصر کی یہ عظیم سازش اپنے حتمی انجام تک پہنچانے۔

دوسری بات جس کی طرف اشارہ ضروری ہے وہ یہ ہے کہ یہ انقلاب اسلامی کی تاریخوں میں کبھی پرچم نہیں ہے کہ اس قسم کی کڑی کارروائیاں اس صورتحال کو بظہور یہ جاننے کیلئے کچھ باتوں کی طرف توجہ دینے کی ضرورت ہے۔ پہلی بات یہ ہے کہ یہ بھگائی کے خلاف ہونے والے مظاہرے انقلاب سے ایسی تاریخوں میں انجام پاتے ہیں کہ ایرانی سال 88 میں ہونے والی ایک بڑی فتنہ آرائی کی سالگرہ کی تاریخ تھی۔ اس کے بعد شہرہ مشہور ڈگری کارروائیاں موقوف کر دیں اور ان کو فتنہ پرست انقلاب مخالف عناصر کی یہ عظیم سازش اپنے حتمی انجام تک پہنچانے۔

دشمن و حقیقت ایسے ناس حیوان کی مانند ہے کہ جو اپنے خلاق کام سے باہر نہیں ہوتا اور پروانہ لہانے کے بعد وہاں سے تازگی اپنی کوشش کو جاری رکھتا ہے۔ موجودہ دور میں پچھلے سالوں کی نسبت کچھ فرق ضرور موجود ہے۔ کئی شہرہ مشہور میں دشمن کی زیادہ توجہ ایران کے دارالحکومت تھران پر توجہ مرکوز ہے۔ لیکن اس سال ہونے والی ان کوششوں میں جو تاریخوں کے خلاف شروع سے کوشش اپنی ترقی ترقی کو پورے ایران میں پھیلاتا رہا جاتا ہے۔ شہدائے شہر ہونے والے بھگائی کے خلاف مظاہروں کا استعمال کرتے ہوئے انقلاب مخالف تحریک نے ناکارہ ایران کے دارالحکومت تھران کو اپنے پینچنے سے لے کر استعمال کیا ہے۔ سب سے زیادہ بظہور کھراڑ کر دیا گیا ایرانی کے عراقی بازار پر موجود کرناٹھ کے موہے اسی طرح موہے خراستان کے مختلف علاقوں پر مضمون سب کے علاقے اور مضمون لیگان کے شہر مشہور ڈگری میں۔

دوسری بات جس کی طرف اشارہ ضروری ہے وہ یہ ہے کہ یہ انقلاب اسلامی کی تاریخوں میں کبھی پرچم نہیں ہے جب اس قسم کی کڑی کارروائیاں کو انجام دیا جا رہا ہے۔ انقلاب اسلامی کے بعد چند مضمون مختلف بہانوں کے ذریعے مضمون حکومت اور انقلاب کے مقابلے میں مضمونوں پر لائے گی کوشش کی گئی ہے۔

دوسرا چہرہ بھولتی ہیں۔ یہ اس بات کو ظاہر کرتی ہیں کہ کئی مضمون ساز تھران اور ایران کے بڑے شہروں میں یہ مضمون ہونا مقرر ہے کہ ایران اور دوسرے مضمون سازوں میں اس قسم کی کوشش کی گئی ہے۔

بھگائی کی شرح بڑھ کر آج کا دورہ بظہور ہے۔ اس عوام اور کئی مضمون سازوں کے درمیان خلا قائل ہے۔ اس سال ہونے والی ان کڑی کارروائیاں میں ایران کی عوام نے شہرہ مشہور ڈگری میں اس سالوں کو بھگائی کیا ہے۔ اس بات کا اندازہ اپنی ان دنوں کی کارروائیاں سے کیا جا سکتا ہے کہ جس میں کئی اقدامات ہونے

ان بھگائیوں کی کڑی ہے کہ وہ چند سو کھوٹوں میں مختلف شہروں میں پندرہ گھنٹوں کیلئے ظاہر ہوتے ہیں اور مضمون میڈیا کیلئے کوئی فراہم کرنے کے بعد قابو ہو جاتے ہیں۔ اس سالوں کے مظاہروں کے خلاف ہونے والے ایک اور بات سے بھگائی کا ہونا سکتا ہے کہ کئی شہروں میں تھران سے کچھ جاتے جاتے والے ایک تھران کے موہوں سے اپنا بیڑام لیا ہے۔ جس میں اس کو ضروری باتوں کی گنجش۔ اس بیڑام میں اس تھران کیلئے کھانیا کھانا کا کچھ عوام سے اور نہ تو رنگ اور رنگیوں کی طرف نہ جاتے۔ اپنی کچھ کے افراد کے ساتھ اپنے شہر سے۔ اس بیڑام میں ایک لڑکی کے بارے میں بتایا گیا تھا کہ وہ بیڑام سے دور ہوئی اور گرفتاری کی اور اس کے موہوں کا کچھ بھی لیا گیا۔ بھگائی کے دوران اس کے کچھ کے ساتھ ہونے والے مظاہروں میں شیلنگ گینوں کی طرف توجہ مرکوز کر دی گئی تھی۔

ایک لڑکی ہے۔ شیلنگ گینوں کیلئے کچھ عوام میں اس باتوں کی گنجش۔ اس بیڑام میں اس تھران کیلئے کھانیا کھانا کا کچھ عوام سے اور نہ تو رنگ اور رنگیوں کی طرف نہ جاتے۔ اپنی کچھ کے افراد کے ساتھ اپنے شہر سے۔ اس بیڑام میں ایک لڑکی کے بارے میں بتایا گیا تھا کہ وہ بیڑام سے دور ہوئی اور گرفتاری کی اور اس کے موہوں کا کچھ بھی لیا گیا۔ بھگائی کے دوران اس کے کچھ کے ساتھ ہونے والے مظاہروں میں شیلنگ گینوں کی طرف توجہ مرکوز کر دی گئی تھی۔

### CONTD. PAGE 7

During the protests in Iran, all dictators across the World were so excited and shouting "Iran is burning", but Imam Sayyid Ali Khamenei was doing his routine works like visiting families or accepting them. The enemies are unable to change the agenda of Imam Khamenei instead he is capable of destroying the perennial plans of enemies by just one hour speech. The recent event was a kind of virus scanning for Iranian Government, and all viruses were cleaned, quarantined. Once again the people of Islamic Republic of Iran showed that Islamic Establishment of Iran is above mazahabs by Shiias- Sunnis rallying by shoulder to shoulder during protests and chanting as "Our life is for just a split second of Imam Khamenei". The conscious Iranians one more time destroyed the enemies of Islam by showing their biggest weapon that is actually the wahdat of Muslims. Thus, the rallies of "Ten Days of Dawn" in 2018 will be unique in comparison with others inshaallah.

Iran where it is the center of both Ahlul Shia and Ahlul Sunnah does not look like other countries because majority of all prominent Sunni figures, scholars, philosophers, and all other scholars who wrote Islamic works were Iranians. Today, the Ahlul Bayt is ruling Islamic Republic of Iran with all its glory, Allahudilillah. No one should try to give a lesson to Welayat-e Faqih Imam Ali Khamenei who is surrounded by divine helps today. No doubt that there are many wise, motaqqi, faithful advisors of scholars around Imam Sayyid Ali Khamenei. Those who criticise the decisions of Imam should know that they criticise not only Imam but also the whole scholars around Imam. Thus, Muslims, especially the followers of Welayat-e Faqih should be more careful about this issue. Is it right to blame Prophet Mohammad pbuh for the hypocrites of that time? Is it right to criticise Prophet Mohammad pbuh for the 300 hypocrites who left the Prophet alone during battle of Uhud? There were 1000 Muslims but 300 of them run away and left Prophet pbuh alone. What about the percentage? It is about 30% of Muslims while the protesters in Iran are not even 1%. Also, it should be noted that many of foreign infiltrators are among the arrested ones, and also the financial support of USA, Israel, and Saudi Arabia for protesters should be noted, too.

Furthermore, anything against the honour of humanity, moral of human beings are forbidden in Iran. How can there be a relation of those who chant as "No to Islam, No to Qur'an" with so-called economic problems? These ones are against Islam, and freedom. They want a puppet Iran not a free Iran. Let's not forget that it is the people chanting "Yes to Gaza, Yes to Syria, Yes to Lebanon" are the ones who help Muslims, donate their money etc to oppressed Muslims not the ones against Islam. It is the people of Welayat-e Faqih who sacrifice their sons for Islam and oppressed people not the ones against Islam.

The enemies tasted an historical defeat in Syria and Iraq because DEASH (ISIL) was an agelong project of enemies of Islam. Remember the words of Israeli Rabbi Nir Ben Arzi as "ISIL is a gift of God for us against those nations who want to destroy Israel". The enemies who got defeated in Syria wanted to take a revenge from Iran by the

recent protest but they failed as usual, Allahudilillah. The enemies used fake photos and videos against Iran at the cost of being disgraced in front of the whole World. For example, an American attorney, an executive director of Human Rights for decades, Kenneth Roth, was not ashamed of meeting a pro-Iranian Khamenei rally as the opposite one. He later deleted his tweet after a brother responded his tweet. Many of World media used fake news, fake pictures, even the rally in Bahrain, to defame Iran and present the protests in Iran bigger than the actual one. Thank God, Islamic Revolution of Iran took the wind out of enemies' sail and defeated all of them on media and on arena. The enemies who got defeated in Syria and Iraq blame Iran for their defeat and they are definitely right because Iran-led Resistance defeated them in all areas in the dirty imposed battle, and the enemies also know that the key figure is Welayat-e Faqih Imam Sayyid Ali Khamenei. Thus, they advised their hired fool protesters to burn the photos of Imam and chant death to him. What about the result? The enemies are defeated and their chain is broken by the lovers and followers of Imam Sayyid Ali Khamenei.

In conclusion, Islamic Revolution of Iran is there shining like the Sun itself upon all Muslims and oppressed people while the enemies are disgraced one more time and their hypocrites are completely defeated with the help of Allah. The enemies are unable to harm Islamic Establishment because it is under the divine protection of Allah (swta) as in the following verse "O you who have believed, whoever of you turns back from His Allah's religion, then Allah will eventually come up with a people He loves and who love Him, humble towards the believers, mighty proud towards the disbelievers, striving in the way of Allah; and they do not fear the blame of a word that is the Grace of Allah (tha) He brings to whomever He decides; and Allah is Ever-Embracing, Ever-Knowing." [Al Ma'idah 54]. The tribe of Salman-e Farsee are the ones whom are praised during the revelation of ayats of Surah Jumu'ah 1, 2, and 3 when Prophet Mohammad pbuh was asked about "who are those ahwaan (fathers of those who have not yet joined them) [Jumu'ah 3] the Prophet of Islam pbuh replied by touching the shoulder of Salman-e Farsee and said "Even if the religion is at the Saraya (the palace), the tribe of him will bring down it and apply to the life." [2]

Another very important point is the one that was given by late famous prominent Sunni Scholar Ustad Badi Al Zaman Said Nursi (1873-1960) whom was invited to Damascus by thousands of scholars to give a speech in 1911. The speech of late Ustad (ra) was published in 1958 in Risale-i Nur Collection in famous Hutha Shumayya (Damascus Sermon). Ustad gave the exact date of Islamic Revolution of Iran at that time with the help of Allah. "A Now will emerge from the East side and it will annihilate the oppressions. I myself awaited such a now too much. And I am still waiting for this now. But, flowers bloom when spring comes. To prepare suitable environment for such holy flowers is needed. And we understand that we prepare suitable environment to those nurani people by our this service." [3]. Late Ustad Said Nursi ra said "from the East" that is ONLY the Iranian geography because the east of Turkey is clearly not any country but Iran.

"The curtains, obstacles that prevent the eclipse of Islamic Sun, its revolution, development, and enlightenment have started opening. The obstacles are removing 45 years ago the signs of that Fair were seen. In 71-Hijri- (Milaad 1950) the Fair-e Sadeq (True Dawn) started or will start. If that Fair is the Fair-e Kazab (the fake Dawn) 30- 40 years later (1979-1989) the Fair-e Sadeq (True Dawn) will come out." [4] Late prominent Sunni Scholar Ustad Badi Al Zaman Said Nursi gave the exact time of Islamic Revolution of Iran and later prominent Sunni Scholar Ustad Hilmi Kocaelian, the successor of late Ustad Said Nursi, wrote books on this and enlightened the topic by pointing out Islamic Revolution of Imam Ruhullah Khamenei ra. Late Ustad Said Nursi mentioned 30- 40 years that 1979 was the Revolution year and 1989 the demise of late Imam Ruhullah Khamenei ra. What a nice coincidence that Prophet Mohammad pbuh established Islamic Government and ruled it for 10 years then left Imam Ali a behind just like Imam Khamenei ra, too, established his Islamic Government and ruled for 10 years and left Imam Ali Khamenei behind him. The Ali of Awwal and the Ali of Ahareen. In the lists of these divine informations, Islamic Establishment, Islamic Revolution of Iran will continue to give the enemies of Islam and humanity a hard time inshaallah and finally will free Ai Qods, and end oppression, inshaallah.

Iranian people also showed their loyalty and solidarity to Welayat-e Faqih Imam Sayyid Ali Khamenei and the Owner of Revolution late Imam Ruhullah Khamenei (ra) by chanting as "Labbaik Ya Khamenei Labbaik Ya Husayn As" Labbaik Ya Khamenei means Labbaik Ya Husayn like the agreements in following verses "Those who are faithfully true to their Anawat (all the duties which Allah has ordained, honesty, moral responsibility and trusts etc.) and to their covenants." [Al Mu'minin 8] and "The faithful are" also those who are true to their trusts and covenants." [Al Ma'arij 32]. Thus, they are occupied with divine love as following "...And Allah loves those who show loyalty to their covenants" [At Tauba 7]

Finally, let's finish our writing by mentioning the final promise of Allah as "It is Hezibullah that will certainly triumph" [Ma'idah 56] and remind the truth that Islamic Revolution of Iran is not limited to the Iranian geography neither Welayat-e Faqih, the Leader of Islamic Ummah and Oppressed People Imam Sayyid Ali Khamenei is limited to Iranians or Shiias instead both Islamic Revolution and Imam Khamenei are the divine blessings of Allah for each Muslim, for each free person in the World and our final slogan is HAYHAT MINNADDILLAH! DEATH TO USA! DEATH TO ISRAEL! DEATH TO HYPOCRITES! LABBAIK YA IMAM KHAMENEI!

## Iran's second "White Revolution" was over before it began

The feel of Iranians turned from anger at their own system to more distrust and anger towards the West, which, in regions like my own, prompted millions to come out and voice their disapproval of Western interference with internal Iranian affairs. Among the false tweets, half-truths, and reported deaths uprising as a result of Trump's "White Revolution II," fed-up Iranians, from all sides of the political pendulum, from all ages and organizations, emerged from their homes, putting aside their laptops and televisions to rise against the U.S. political machine. Thus, Iran proved more united with their leadership than

In another failed attempt by U.S. to overthrow the existing Iranian ruling system, Trump probably failed at his shot more miserably than any of his predecessors, the moment his tweets began. Trump's phony bologna overshadowed any real and sincere complaints that

existed, among whomever the protesters were--this is still a matter up for debate. Any protesters and well-known government activists backed away from Trump's second "White Revolution" upon getting a hint of what they called, "fishy behavior." One such activist claimed that she and her friends never joined any of recent protests in Iran because she could sense something, "fishy." Reihane Taravati, a social media activist in her 20s called the protesters "fishy and dubious," according to news reports. "My friends and I don't identify with them," Taravati said. "None of my many activist friends have any idea what or who the protesters are, what their agenda is, if they have any at all. Their slogans are weird."

In large, many Iranians were turned off by Trump's rhetoric, which they claimed caused more harm than good and were often dishonest. For instance, Trump called riots and violent acts against the Iranian general public "peaceful protests." While Trump maintained the protests were "peaceful," nearly a dozen Iranians were verified dead due to the Iranians "protesting." Several protesters entered Iran illegally, names were dropped and given to security police right away. It was quickly discovered in Iran that the Trump administration used and befriended well known, but on the verge dissolving, terrorist organizations like the MKO (Mujahidin E Khalk) in possibly another failed, but deadly, attempt to overthrow Iran's government. Because of that operation, Iranian police and soldiers were martyred in a shootout. As violence erupted, any protests that occurred were short lived, the people themselves walked away and put things to a quick and effective end.

What are some lessons to be learned from this?

One, the Iranian people do not want US politicians deciding and speaking for them, they have made that clear: they want answers from their own politicians. No revolution or attempt to overthrow Iran's government or ruling system will be successful under the Trump administration or probably ever--USA needs to come to terms with this and move on. Finally, never trust a movement or revolution of any color, especially those reminiscent of the American White man's meddling and attempted whitewashing of the Persian people and Iranian culture or society.

# Recent Iran Riot and System of Wilayat-e-Fiqhi

Islamic Revolution of Iran is not limited to the Iranian geography neither Wilayat-e Faqih, the Leader of Islamic Ummah and Oppressed People Imam Sayyed Ali Khamenei is limited to Iranians or Shias instead both Islamic Revolution and Imam Khamenei are the divine blessings of Allah for each Muslim, for each free person in the World and our final slogan is **HAYHAT MINNADDILLAH! DEATH TO USA! DEATH TO ISRAEL! DEATH TO HYPOCRITES! LABBAIK YA IMAM KHAMENEI!**

## EKRAM ORDU

It is essential to specify some facts in order to understand events and say mouthful comments about the recent events in Iran correctly because "Imam Khomeini (ra) planted the first seed (in our age), developed and formed the foundation of Divine Islamic Revolution that turned the historical change of modern world in favours of Islam, muslims, and mostadafin (oppressed) against the imperialism naturally, in this way the balances in the world are changed, revolutionized completely and eternally." [1] Thus, Islamic Republic of Iran has been targeted not only during recent events but also from the first day of Islamic Revolution since 1979. The enemies of Islam and humanity have always been in search of an opportunity to harm, destroy, eradicate Islamic Revolution all the time. The enemies have right on their side because Islamic Republic of Iran has been stating their opposition to the interests of the global imperialist, capitalist powers and especially illegal zionist occupation israel from the beginning of the Revolution.

No doubt that the hostility of enemies of Iran is the manifestation of the historical battle of the Truth and Falsehood. We can see this hostility in the war on Iran and by the whole World-backed Saddam during Sacred Defence War when the whole arrogant powers fully supported, armed Saddam against Islamic Republic of Iran. Another clear example is the dirty war on Syria. During the dirty war on Syria, the whole capitalist, imperialist, zionist powers supported, defended, armed hundreds of thousands terrorists brought across the World for a "Jeehad" against Syrian, Iraqi people and their liberally elected governments. Thank God, "Rather, We dash the truth upon falsehood, and it destroys it, and thereupon it departs. And for you is destruction from that which you describe." [Al Anbya 18] This ayat materialised in Syria and Iraq. The falsehood is destroyed, departed and their aghelong dirty, bloody, merciless project is collapsed with the help of Allah, Alhamdulillah because "...The hand of Allah is over the hands of those who pledged allegiance." [Al Fath 10]. Thus, we can see the divine of help of Allah upon these people whom are answerer of "those will be the successful." [Ali 'Imran 104] the victory doors are opened on these people forever while the defeat doors are opened on enemies of Ahul Bayt, the sons of Rasoolallah pbah again forever just like in the following verse as "Those are the party of Satan. Unquestionably, the party of Satan - they will be the losers." [Mujadila 19]

The front of hizbulshaitan, the front of falsehood, the people of "Shajara-tof Mal'ona" [Isra 60] (malign lineage, Shajara-e Habesa) suffer helplessly in front of Shajara-e Tayyeba ( the beautiful lineage, the Ahul Bayt, etc) Hizbullahi

Ummah under the leadership of Welayat-e Faqih Ayatollah Al Udhma Imam Sayyed Ali Khamenei, who is the leader of Muslim Ummah and all Oppressed People across the World. The enemy front sees the Gharqat tree, the American Islam movement by regional hypocrite governments, as their final hope but they are doomed to fail whatever they apply to. The Islamic-faced Zionist coalition has no fate but defeat is quaranteed in the verse as "[Their] assembly will be defeated, and they will turn their backs [for retreat]" [Al Qamar 45] inshaallah because the opposition front, the Resistance, is "Those - He has decreed within their hearts faith and supported them with spirit from Him (RUHULLAH). And We will admit them to gardens beneath which rivers flow, wherein they abide eternally. Allah is pleased with them, and they are pleased with Him - those are the party of Allah. Unquestionably, the party of Allah - they are the successful." [Mujadila 22] Imam Ruhullah Khomeini has been the explanation of this ayat in our age like the unshakeable mountains, and smashed the rotten brain of arrogant powers with the help of Allah.

How possible Islamic Republic of Iran be destroyed or overthrown by a bunch of foreign-backed thugs during his most powerful time while he even did not fall during his beginning years against Saddam whom was supported, armed, financed by the whole World? Honourable, and praised Iranians did not allow enemies to invade their countries, rape their women, kill their children during the hardest time of Revolution and now the corrupted media try to overthrow Islamic Establishment by a few tweets, sharings, statements of fascist leaders, their team, and corrupted media? Did they win their dirty war on Syria, Iraq, and Yemen by media or the men of God decided the fate of war? Yes, the war on media has a great importance but the final words belong to the soldiers on the arena. How possible Islamic Revolution can be overthrown by a few foreign-backed traitors while Iran is ready to sacrifice his own children for the safety of Islam and honour of Muslims? Any free men, true believers including both Sunnis and Shias should congratulate Islamic Republic of Iran "Sultaman Nasera" [Isra 80] for such a success despite the economic sanctions for 39 years. Actually the economy of many many countries is worse than the one of Iran despite there are no sanctions against their countries. It will be injustice not to appreciate Islamic Revolution, its Supreme Leader, government and people for such a great victory under hard conditions against the whole World. Won't it? While enemies do not undervalue Islamic Revolution of Iran and the importance of Welayat-e Faqih Imam Sayyed Ali Khamenei, it is very very sad to see some Muslims still do not understand the value of these blessings

for humanity.

What do you think about the reasons why enemies got so excited during protests in Iran despite they knew Iran would not be overthrown by a few protesters? A few because Iran is over 80 millions while the protesters were not even a thousand. Not even %1 of the population. The corrupted World media used all kind of false news, fake pictures and videos to present the protest bigger than the one in reality.

Let's turn back to the protests. The fool enemy once again proved its foolishness by protesting in Iran's Mashhad city that is actually the homeland, the birth place of Imam Sayyid Ali Khamenei. Can you imagine the protesters are chanting as "Death to Khamenei" in a city where there are millions of lovers and soldiers of Welayat-e Faqih Imam Sayyid Ali Khamenei? As Imam Ruhullah Khomeini r.a said, "The enemy is fool." The protesters were shouting "No to Islam" and burning the Iranian flag written on it Allah, La ilaha illallah, and burning the posters of Imam Khamenei and Ruhani and chanting as "No to Islam, No to Qur'an, No to Mollas, No to Gaza, No to Syria, No to Lebanon" another a woman protester said "They disgraced us during 1979 Islamic Revolution by raising their fists, and today we will disgrace them by raising our fists." The important question here is that why Iranian government waited for days despite all its might? Iranian officials waited the bats to come out from their secret cells, and it happened. Alhamdulillah. When the time for protesters were out, it was time for the honourable revolutionary, brave Iranians to take the streets in over 1,200 towns to chant as "LABBAIK YAKHAMENEI! DEATH TO HYPOCRITES! DEATH TO USA! DEATH TO ISRAEL! YES TO GAZA! YES TO SYRIA, YES TO LEBANON! MY SOUL FOR IRAN!" The chants of Iranians were according to the teachings of Qur'an because "And what is [the matter] with you that you fight not in the cause of Allah and [for] the oppressed among men, women, and children who say, "Our Lord, take us out of this city of oppressive people and appoint for us from Yourself a protector and appoint for us from Yourself a helper?" [An Nisa 75] this ayat clearly defines the policy of Islamic Republic of Iran for all oppressed people across the World. How can Islamic Iran be silent on the oppression in any countries while Qur'an is not limited to any land or any nations instead it is for humanity and all other creatures?

It was another very important point that millions of Iranians did not attack protesters despite those protesters deserve any kind of treatments, which shows how dignified are Iranian Government and people.

## Iran's second "White Revolution" was over before it began

Wilayat Times Special  
By Anahita Hamzei

There is a revisited pattern that Iranians are, certainly, aware of each time a new U.S. president takes seat in the oval office: each new president--while there was a hiatus of attempted government coups in Iran as USA grappled at what to do with Iraq--tries, at least, within his first term of initiation to overthrow the Islamic ruling system of Iran. Each president, so far, has nosedived. With experience from Obama-Biden's meddling and financial squander on the 2009 "Green Movement," Iranians waited, vigilantly, for U.S.'s next plan of operations in the Islamic Republic; this [Iranian vigilance] was one powerful element that nipped the recent sedition, quickly, in the bud. However, the other major factor that cooled the attempted "White Revolution II" (I will call it the second White Revolution for many factors discussed throughout this article) and led it straight into a brick wall so swiftly, was Donald Trump alone, when simply considering his tactics and rhetoric.

Donald Trump's plan to ignite a second a "White Revolution," in the Islamic Republic, failed before it began; it was all too reminiscent of the brutal attempts, initiated by the despised and oppressive Pahlavi dynasty, to westernize the Iranian people and change their culture by force and, in many cases, punishment by torture or death--for those who refused to adopt western culture in Iran. With assimilation tactics written all over it and the dark nostalgia of the Pahlavi era in Iran as a reminder, most Iranians were quick to realize flaws in a revival of another White Revolution, recognizing the tactics that left a stinging sensation of the Shah's brutality in the eyes of their mothers and fathers.

Hence, Trump's greatest error emerged from the start, loading up his virtual supporters of Caucasian cyber bullies onto his bandwagon, who mainly used, pro-USA, anti-Islam rhetoric--Pro-Pahlavi and Trump supporters alike, many related to the Shah, took to more extreme measures and promoted Quran burning and violence online--stereotypes and bigotry to justify their pseudo-concerns of the Iranian people and Iran's economy. Major complaints about the Iranian nation were tweeted and Facebook status's updated from "patriotic" White commoners and politicians in the USA, who had no known knowledge or education on Iran: these KKK like personas hated the Islamic Republic for simply being Islamic. Not a legitimate argument, in any case, even under their own constitutional observances...

friend to Donald Trump, and pro-Zionist politician, used American rhetoric of "Patriotism" and vague, unnamed scenarios in support of whatever he perceived to be happening in Iran.

As a result, Iranians who utilized social media, some of which never supported the government until these events unfolded, faced and felt the hatred from Trump's gang of cyber trolls, who often expressed that hint of white supremacists' arrogance and ignorance. And almost all of Trump's groupies went straight for the Iranian Supreme Leader, Ayatollah Khamenei, in their attacks: using violent, disturbing, and derogative rhetoric against a man who is very much loved by the majority of Iranians. Mind you, Khamenei is not just admired in Iran, but all over the world--which, thus, sparked global defense of the Islamic Republic in the midst of White Revolution II.

After the heat and hatred emerged, several anti-government bloggers and writers lost trust in the suspicious "White Revolution II," and were soon writing in support of the Islamic Republic: "As an activist who participated in many post-2009 protests, now I am skeptical about the motives of these protesters and their targets," Milad Waseli, a writer and pro-reform activist, said in an L.A. Times news report. "I am surprised. In the past, when we were in a much direr economic situation with even more severe inflation, we did not witness protests like these."

Additionally, it was hard to ignore the simultaneous occurrence of US media updates and Trump's tweets, which seemed coordinated and organized, more so than the protests in Iran. What is meant by this is, the political jargon and timing in the Western world, as opposed to what the protesters really wanted in Iran, was much more organized and stated. It was as if there were prior engagements, between the Trump administration and news outlet management, in order to make certain that the Iran events were heard throughout the globe, and they managed this by embellishing the truth entirely. The events in Iran turned out to be a hotter topic in the USA, and other parts of the world, than they ever had been or were to become in Iran.

platform from Iranians by making an issue about the Iranian people more about him and his false convictions of the Islamic Republic.

Since 1953, the West (namely the USA and U.K.) has been behind planned demonstrations and coups in Iran; Iranians are very aware of the spins and ploys put forth by the Western World and their vast media enterprise--from generations of experience. When the much debated "protests 2018" began in Iran, it was also an anniversary date which marked the victory of the Islamic Republic over another Western attempt to overthrow Iran's leadership, under Ahmadinejad; the "Green Movement,"-- this was during Barack Obama's first term. Like the Green movement the "White Revolution II," was comparable in the timing that it occurred--the early years of Obama's first term and Trump's, respectively. And yet, it was nowhere in comparison to the size and longevity of the Green Movement; which was another factor that led Western media to, desperately, recycle old images of that protests and dig themselves further into a grave of lies; now being buried by the very people they claimed to support.

out, for spreading lies on the Iranian protests, was this individual, whom tried to pass off footage of a protest in Bahrain as a protest in Iran.

As media caught a whiff of massive demonstrations--all massive protests and demonstrations were pro-Islamic Republic by the way--they took images of these demos and falsified events, virtually, throughout every media outlet in the West, from CNN to BBC, from L.A. Times to Fox news.
